DECLARATION

I, J. Kent Bewley, do hereby certify that:

1. I am a non-voting shareholder in SBH Properties, Inc., applicant for a new FM broadcast station to be licensed in Tusculum, Tennessee.

2. A few days after SBH Properties, Inc.'s legal notice had been published in the local paper on February 13, 1992, I was advised by employees at Bewley Oldsmobile/Subaru, Greeneville, Tennessee, that Kathy Knight, an employee of WSMG(AM), Greeneville, had come by looking for me three or four times. Finally, she caught up with me at the dealership on a day which I specifically recall being a Wednesday. While I do not specifically recall the date, it would have been either February 19, 1992 or February 26, 1992. Ms. Knight was apparently on a fact finding mission for Darrell Bryan, the owner of WSMG. She indicated that Mr. Bryan was unwilling to come by, himself, and that she had told him that she would talk to me. She indicated that she and Mr. Bryan believed that I was spearheading SBH Properties, Inc.'s ("SBH") Application and that it had been my idea to file against "them." I explained to Ms. Knight that I was not spearheading the Application and was, in fact, nothing more than an investor. I advised her that I know nothing about broadcasting and that I had become involved in SBH's Application solely because a lifelong friend of mine, Bill Seaver, had called

and asked me to participate, along with another friend, Paul Hite. I further advised Ms. Knight that, even if I were to abandon SBH and its Application, I had every reason to believe that Bill Seaver would continue the project.

3. Approximately 60 days later, in April, 1992, Kathy Knight's father, Frank Harkins, came to the dealership and asked if he could speak with me. Once in my office, Mr. Harkins indicated that he wanted to know exactly what my involvement was in SBH Properties, Inc.'s Application. Once again, I explained that I was only an investor, who had gotten involved at the request of Bill Seaver, a lifelong friend of mine. Curious as to the reason that Mr. Harkins was so interested in SBH's Application, I asked him the reason for his personal interest in the matter. He responded: "Well, I'm going to have to help them." I asked him who he was referring to and he answered: "Kathy and Darrell." I then asked him: "Are you going to be involved?" He answered: "Not in the operation of the station, but kind of like you and Paul." After a brief further conversation, Mr. Harkins left. My overall impression from my conversation with him was that Mr. Harkins either was or was intending on becoming an investor in Darrell Bryan's application and/or the new FM radio station at Tusculum, should Darrell Bryan be successful in obtaining a construction permit.

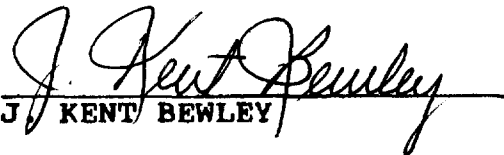

4. Approximately 60 days later, in June, 1992, Darrell Bryan came by the dealership to speak with me. During this brief meeting, Mr. Bryan reiterated Ms. Knight's allegation that I was

spearheading SBH's application. Once again, I indicated that it was simply an investment that a friend had brought to me and that that was the extent of my involvement. It was clear to me that Mr. Bryan's intention was to dissuade me from further participation in SBH's Application.

5. I should also note that in addition to the foregoing, Kathy Knight has approached me on four or five other occasions since the filing of SBH's Application, seeking to obtain information regarding SBH's Application and whether I was still involved.

I hereby certify under penalty of perjury that the above statement is true.

Signed and dated this 28th day of September, 1993.
